Whether your insurance pays or not, you are responsible for the appropriate balance. We do require your co-payment or co-insurance (10%, 20%, etc.) to be paid at the time or service. Please be aware of the requirements of your plan. We cannot bill your insurance unless you bring all of your insurance information. If your account must be turned over to a collection agency, you will be held responsible for the full amount and any legal and court fees. Our nurse practitioner/physicians' assistant may see you independently, but Advanced Pain Institute of Texas endorses all of his/her clinical decisions. Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns.

You will not be treated differently by your physician if you choose to obtain health care services at another facility, or to utilize another monitoring or implant company, if applicable.
